# *A Celebration of Life*

## GATHER WITH FAMILY AND FRIENDS AT ROLLS-ROYCE LEISURE TO COMMEMORATE THE LIFE OF YOUR LOVED ONE

Holding a memorial event such as a wake, farewell party or celebration of life when a loved one dies is a wonderful way to truly pay tribute to their spirit and life. Funeral Teas, Wakes and Memorial Parties can be both moving and uplifting events.

The team at Rolls-Royce Leisure cares deeply about its people, guests and reputation which is why we will help you organise your funeral wake with empathy, compassion and understanding. We appreciate that this can be a traumatic time and want to take some of the stress from your shoulders. Our duty is to ensure that the day runs as smoothly as it can.

On the day itself we will make every effort to make this aspect of the occasion effortless allowing you to focus on the unique and individual life you are celebrating.

We have years of experience of hosting such events and are renowned in the local area for our excellent facilities and sensitive approach.

The Trent Lounge is comfortable, peaceful and welcoming and is ideal for gatherings from 20 to 160 people. If your party is outside normal opening hours you will have exclusive use of the Lounge ensuring privacy and intimacy for your guests. If you are expecting larger numbers the Merlin Suite can hold from 50 – 220 guests.

There is ample and convenient parking outside and disabled access to both rooms with disabled facilities inside too.

Catering can be suited to your individual tastes and budgets. A selection of Menus is available to choose from. Our most popular funeral buffet is the Classic Finger Buffet which includes unlimited tea and coffee as well as scones with jam and cream. If you have any specific requirements we can discuss 'mixing and matching' them around to create your own personal choice. If you are unsure how many people to expect, a finger buffet is a good choice.

You can be assured of our personal attention to detail in every aspect of your gathering so let Rolls-Royce Leisure help take some of the pain and heartache out of all the arrangements and organisation that accompany a time of sorrow and grieving.

# *Funeral Services*

Humanist, non-religious funeral and memorial ceremonies or services are increasing in popularity and over the past two years we have hosted a number at Rolls-Royce Leisure. The Merlin Suite is ideally suited to such services particularly if you are expecting a large number of guests as we can accommodate up to 200 people seated plus 200 standing.

The disabled ramp that leads into the room means that the coffin can be easily manoeuvred into the room. As is fitting with such an occasion a red carpet is provided for the coffin to arrive on.

You can choose to lead the service yourself but most people employ the services of a Humanist funeral celebrant. Your funeral director will be able to put you in contact with a Celebrant who is friendly, trained and experienced.

Our staff are experienced in hosting such services and will be on hand to ensure that everything runs smoothly.

If you are interested in hiring the Merlin Suite for a funeral service/ceremony there is a charge of £150.
